

SOUTHWEST AIRLINES

NOLIMITS INTERNSHIP

INFORMATION SESSION

Where else can you...

- Fly to San Antonio for the evening just to have dinner?
- Wear shorts and t-shirts to work everyday?
- Win a three-legged race with the Vice President of your dept?
- Gain practical workplace skills in a FUN, easy-going environment?

An internship at Southwest means doing all the above and so much more. Join us for a casual information session where we'll give you a run down of the summer 2010 NoLimits program, provide all the information you need to get started with the application process and answer any questions you may have. Also joining us will be current SMU students who are veterans of the Southwest Airlines NoLimits Internship program.
